Serenity

This massage is perfect for relaxation and is among our most sought-after techniques. It combines various movements to ease muscle tension and alleviate emotional stress.

Vitality

Combining deep tissue massage with assisted stretching, this ritual alleviates muscle pain and improves flexibility with precision.

Deep Core Release

This method focuses on relieving muscle pain and eliminating knots through gentle yet firm pressure, targeting deeper muscle layers.

Maternal Relief

Specially designed for expectant mothers after their first trimester, this massage employs techniques to alleviate back pain, reduce fatigue in the legs, and promote better circulation.

Body Polish

TIME	INDIVIDUAL
60 min	\$2,090 MXN

Rebirth Peel by Comfort Zone

Experience total and instant skin regeneration, targeting the deepest layers of the body to achieve firm, smooth, and rejuvenated skin. This treatment combines mechanical and chemical peeling techniques, followed by the application of a nourishing anti-aging mask for optimal results.

Hydra-Immersion by Natura Bissé

Exfoliates - Moisturizes - Nourishes

This treatment rejuvenates your skin's radiance, following the philosophy of the 3Rs: Renew, Recover, and Repair.

Deep Detox by Natura Bissé

Purifies - Cleanses - Renews

Refresh and purify your complexion with a dual exfoliation that eliminates makeup residue, leaving your face with an extraordinary glow.

Teen Glow Up by Natura Bissé

Purifies - Cleanses - Hydrates

This treatment is specially designed for adolescents seeking to cleanse and purify their skin.

Lotus Experience by Foreo

Exfoliates - Moisturizes - Nourishes

Indulge in a facial that utilizes the finest products from Natura Bissé, combined with the most advanced facial technology devices from Foreo.

C+C Radiance Boost by Natura Bissé

Revitalizes - Brightens - Anti-oxidizes

This revitalizing treatment delivers a powerful dose of vitamin C to your skin, combating free radicals and preventing early signs of aging caused by oxidative stress and skin cell damage.

The Ultimate Grooming by Comfort Zone

Revitalizes - Exfoliates - Brightens

This facial treatment, specifically designed for men, provides intensive exfoliation that softens facial hair for an improved shaving experience. It leaves the skin feeling healthy and achieves optimal hydration levels.
